**A LIST
OF THE
PRIMARY GESTURES
IN
INDIAN SIGN-TALK**

Indian Hands Talking

ONLY 19 Copies of these proofs are printed, one for each of my Patrons. None will be sold. They are for corrections, additions, improvements, and criticisms by Indians; after which extended works, and A Magazine in HANDS-TALKING may be expected.

TITLES are omitted for want of sufficient type.

To those who have aided me with money; I tender herewith my sincere thanks. A MAGAZINE in SIGN-TALK will obtain a wide (if not large,) circulation among the Curious in all Lands. The Diagrams can be reduced and transferred in any size or color. Shall WE control it,? As you say. I am ready to serve you.

Yours Respectfully.
